

# STI MOTION DETECTOR DAMAGE STOPPER®

## Protection for PIR Units

These super tough cages are extremely effective in reducing malfunctions and high maintenance costs where vandalism or accidental damage is prevalent. They are constructed of 9-gauge steel wire with corrosion-resistant polyester coating. Five sizes are available. Two sizes are designed to fit motion detectors for corner mount units and three are for wall mount applications.

## Backed By a Lifetime Guarantee

As all STI protective covers, these Motion Detector Damage Stoppers are backed by a lifetime guarantee against breakage in normal use. Installation and servicing are easy. They are highly recommended for areas where abuse to PIR detectors is severe.
