The Press-Fit door is a unique lightweight door that installs easily by bending the tabs on the return back to grip the drywall. The frame, return and doorstop are one-piece construction with a beveled frame resulting in an attractive finished look.

For Walls and Ceilings

For all surfaces

**Trim:** 22 gauge steel, 1/2" wide

**Door:** 22 gauge steel, 18X18 and larger, 20 gauge

**Hinge:** Concealed, continuous piano hinge.

**Finish:** Prime coat of rust inhibitive electrostatic powder, baked grey enamel.
